	\boxtimes	Copies of the materials listed are attached (except for the foregoing).			
Non-l	English	Language References			
		An English-language search report or equivalent paper from a foreign patent office is provided indicating the relevance of the cited reference(s).			
		A foreign-language search report from a foreign patent office is provided, and pertinent parts are translated substantively below:			
		X = document of particular relevance when it is taken alone document of particular relevance when it is combined with another such document			
		A = document defining the general state of the art			
		O = non-written disclosure			
		P = intercalated document			
		T = document cited to understand the theory or principle underlying the invention			
		E = patent document which has the benefit of a date earlier than the filing date and which was published only on or after this filing date			
		D = cited in the application			
		L = cited for another reason			
		& = publication of member of same patent family			
	\boxtimes	An English language equivalent for each Japanese patent publication is provided. An English language Abstract is provided for the PCT publication.
